Research Integrity Training e-Learning （eAPRIN） Manual

For other students

≪ Undergraduates, non-regular students ≫

1. Login

・Open the login page below and enter the following guest username and password to log in.

URL: https://edu.aprin.or.jp/

Username: guest_kyoto_university

Password: kyoto-U2

*You cannot log in via "GakuNin log-in page".

* Please UNDER NO CIRCUMSTANCES change the password, profile, etc.

The only setting that may be changed is "Course Selection."

2. How to Take the Course

・ After you log in, the main menu will be displayed.

・ Please take the relevant course from among the "Kyoto University Research Ethics and Integrity Courses 20**
(XX)."

・ You must complete all units in order to complete the course.

・ You can change the selected course by clicking the "Course selection (change registration information)" button.

Click on the course unit that you wish to take, and then click "View text."

Please read the text first.
After you read the text, you can take the quiz.

テキストを読む/Read the text

クイズはまだ受けられません/Cannot take the quiz yet

クイズで80.00点以上を獲得すると完了となります。
You complete the required module when you score 80.00 percent on the quizzes.

To Main Menu

・A screen will appear asking from where you would like to display the text. If you would like to display it from the beginning, please select "No."

   * The use history of other guest users will have remained, so this question will be displayed.

・A selection box for the language of the teaching materials will appear, so please choose either Japanese or English.

教材言語選択／Select Your Language

教材は日本語版と英語版がありますので、どちらかの言語を選択してください。
Please select preferred language for modules (Japanese or English version).

日本語   English

・The teaching text will be displayed, so please start the course.

Please provide feedback on this material

Take the quiz

・The quiz materials will be displayed. Please begin taking the quiz.

QUIZ NAVIGATION

1 2 3 4 5

Finish

Question 1

Not yet answered

Marked out of 20.00

・When you have answered all the questions, please click "Finish."

Question 5

Not yet answered

Marked out of 20.00

Finish

・Then click "Finish."

Confirmation [×]

You have not answered all the quizzes.

Press "Cancel" if you attempt again.

[Finish] [Cancel]

・Your quiz score will be displayed. To complete the unit, you must score 80 points or higher.

・Click "End review" at the bottom of the review screen or at the top left of the screen.

・You will be returned to the main menu that appears after the login page.

・If you did not score 80 points, please take the quiz again.

・If you want to take the quiz or read the text again, select the unite from the main menu.

・The following screen will be displayed. Please select "Read the text" or "Re-take the quiz."

・The results of your previous quiz will show other guest users' records of taking the quiz in the past.

3. Displaying the Certificate of Completion

・ **If taking the course as a guest user, a named certificate of completion will not be issued.**

・ A certificate of completion for guest students will be displayed on the certificate issue screen regardless of the score obtained on the quiz. However, the completion date, issue date, etc., will not reflect your information.

・ If, as a "Other course participant," you require your own certificate of completion, you must register for a personal account beforehand and take the course under that specific account.

* If you wish to register, please send an email to the contact address below containing the following information.

Application information

Name (in kanji) * Not required for faculty without names written in kanji.

Name (in Roman alphabet)

Affiliated department (or affiliated institution in the case of external students)

Post / status (year of study in the case of students)

E-mail address (those who have been assigned an email address by the university should enter that address)

Name of research project, person in charge of research

The course is now completed.

If you have any questions about the activities or the system, please contact the designated party responsible in your department or the university contact given below:

Research Integrity Division, Kyoto University Office of Research Acceleration
